**All in God's Time:** Alphonso Washington,2009-06-24 Woodrow Wilson was president when I was born. He was reelected in 1916 as a peace candidate, which was the same year my mother brought me to Hume, Virginia to live with my grandfather, Elder Phillip Washington. Elder Washington was the third pastor of the Mount Morris Baptist Church. President Wilson tried to mediate between the warring nations; but when the Germans resumed unrestricted submarine warfare in 1917, Wilson brought the United States into what is now believed to have been a war that made the world safe for democracy. You may think this is a bit of abstract history, but it actually parallels my life in an odd way. You see, I was born on October 18, 1913 in Washington, DC, and my grandfather didn't like me at all (he was at war) but when my mother brought me to him in 1916, my innocence brought peace to our family. You see, I reminded him too much of my father and he refused to allow my parents to marry.

*My Memoirs* Anna Mae Clarke-Sullivan,2013-07-15 People, in the new dawn of life a flower bud, small and energetic. We grow into a beautiful blossom, give joy to the world, and when we have done so, gradually fade away into our own time. Sometimes we are remembered with gladness and hapiness, recalling a momentous occasion, sometimes we are remembered with sadness and melancholy. Always, there is a purpose in everything. Destiny shapes all the elements.

When Evil Came to Good Hart, 10th Anniversary Edition Mardi Link,2018-04-18 In this page-turning true-life whodunit, author Mardi Link looks into the cold-case files of the murders of a wealthy Detroit-area family in their northern Michigan cabin in 1968, detailing and reviewing all the evidence to date. She crafts her book around police and court documents and historical and present-day statements and interviews, in addition to exploring the impact of the case on the community of Good Hart and the stigma that surrounds the popular summer getaway. Adding to both the sense of tragic history and the suspense, Link laces her tale with fascinating bits of local and Indian lore, while dozens of colorful characters enter and leave the story, spicing the narrative. During the years of investigation of the murders, officials considered hundreds of tips and leads as well as dozens of sources, among them former secretaries who worked for murder victim Dick Robison; Robison's business associates; John Norman Collins, perpetrator of the Co-Ed Murders that took place in Washtenaw County between 1967 and 1969; and an inmate in federal prison in Leavenworth, Kansas, who said he knew who killed the Robison family. Despite the exhaustive investigative efforts of numerous individuals, decades later the case lies tantalizingly out of reach as an unsolved cold case. This edition, published at the 50th anniversary of the murder, includes a new Afterword by Mardi Link. In it, Link discusses information that's come to light since the book's original publication and reflects on how the Robison murders might have been handled differently today.
