Introducing Epigenetics Cath Ennis,2017-02-02 Epigenetics is the most exciting field in biology today, developing our understanding of how and why we inherit certain traits, develop diseases and age, and evolve as a species. This non-fiction comic book introduces us to genetics, cell biology and the fascinating science of epigenetics, which is rapidly filling in the gaps in our knowledge, allowing us to make huge advances in medicine. We'll look at what identical twins can teach us about the epigenetic effects of our environment and experiences, why certain genes are 'switched on' or off at various stages of embryonic development, and how scientists have reversed the specialization of cells to clone frogs from a single gut cell. In Introducing Epigenetics, Cath Ennis and Oliver Pugh pull apart the double helix, examining how the epigenetic building blocks and messengers that interpret and edit our genes help to make us, well, us.

It's Your Wedding - Not Theirs Miles O'Brien Riley,2008-11 The Bridal Biz not only triples the price of wedding services, it literally takes the wedding away from the bride and makes it an impersonal, secular event that is all they know and treats your wedding like a Ken and Barbie runway at a fashion show, based on Hollywood movies and silly TV shows. It's Your Wedding Not Theirs is a comprehensive, creative guide to help you plan a distinctively unique, personal and sacred celebration. If you want a Martha Stewart wedding, do not buy this book. With photos and suggestions from 55 brides, this book offers dozens of tips on how to make your celebration a memorable experience, not just an expensive event. This simple, 65 page guide book will walk you through 40 plus chapters, including your goal, your attitude, your groom, your mother, your focus or theme, your family, your budget, your guest list, your location, your celebrant, your wardrobe, your rings, your vendors, your ceremony, your legal requirements, your program, your rehearsal and dinner, your ceremony and reception, your honeymoon, and your marriage. With very practical tips on every aspect of your wedding weekend from welcome to readings and love letters to vows and symbols of unity to cultural customs, favors, toasts and cake this book shows you how to present yourselves as hosts rather than self-conscious stars and how to move from a costly, cookie cutter party to a sacred, fun, mature, memorable celebration.

Managing International Trade And Investment: Casebook Spar Debora L,2003-07-14 Despite the ease with which it is often conducted, doing business across borders is not the same as doing it at home. Rather, it entails a whole new set of managerial challenges: re-assessing competitive advantage; evaluating diverse political environments and legal structures; considering the impact of currency fluctuations and trading regimes; and understanding widely disparate cultures and business norms. Using the cases presented in this book, instructors can help their students build a framework of analysis that will enable them to understand the challenges of international trade and investment and master the opportunities these represent./a

The First Lady Escapes Verity Speeks, 2018-09-28 President Rex Funck is a loutish, lying old bully whose affairs have deeply hurt his stunning wife Natalia, a former model from Slovakia. Now he wants to get her pregnant so voters will see him as a macho stud and re-elect him in a landslide. Natalia despises Funck too much to go through with it. With the help of Angel, her gay Mexican hairdresser and BFF, she secretly flees the White House. To take her place they leave Moon, a ballsy trans woman who impersonates FLOTUS at a Miami drag-queen show. Natalia's suspenseful escape becomes a personal journey of self-awareness with unexpected twists and outrageous characters. Meanwhile, when the truth comes out about Moon at the White House, all hell breaks loose. In *The First Lady Escapes: FLOTUS Flees the White House*, Natalia proves herself a true American hero by saving her beloved adopted country from getting Funcked. 'A rippingly funny and surreal lampoon, the comic relief we so desperately need from the twisted absurdity of our current political horrors. It will leave you gasping with laughter and Trumpetized all at the same time.' 'I can't stop laughing! I'm buying a hundred copies to pass out at the next Women's March!'
