Sevan Bicakci: The Timekeeper Vivienne Becker,2018-12 Sevan Biçakçı is a jeweler fit for an Ottoman emperor, encompassing a mastery of traditional techniques largely unseen in contemporary metalsmithing and gem cutting. An Istanbul native, Sevan is a visionary jeweler, fusing diverse elements of nature, ancient mythology, and Ottoman history, literature, and architecture into his award-winning creations. His imaginative designs and singular craftsmanship have intrigued and impressed fellow jewelers and connoisseurs for years, and his awe-inspiring jewels, unique in their storytelling artistry, are avidly sought by the world's most discerning and sophisticated collectors. Now, in a study and celebration of the essence of time itself, Sevan has explored the Ottoman tradition of timekeeping and clockmaking, which he discovered through an exhibition of timepieces at the world-famous Topkapi Palace Museum in Istanbul. For nine years, Sevan has channeled his imagination to create a collection of dramatic jewels that not only tell the time, but also recount the story of time, fusing the rational and the emotional. This evolving collection of extraordinary timepieces, featuring high-tech Swiss-made movements, have all the allure and grace of Sevan's original jewelry, bringing his artistic refinement and technical expertise to the centuries-old craft of watchmaking.

Making Trouble Greg Valerio, 2013-09-20 Fair trade jewellery has been around for a while - but while those crafting it worked under Fair Trade principles, the gold, silver and precious stones they were using came from some very murky places. Small scale mining is the second biggest global employer, and many of those mines pay a pittance, forcing their workers to labour long hours in dirty and dangerous conditions - for a pittance. Informed by those in the jewellery trade that this would never change, Greg Valerio set out to prove them wrong. Fairly traded gold is now available in the UK, although the battle continues for other metals and products.

33 Artists in 3 Acts Sarah Thornton, 2014-11-03 This compelling narrative goes behind the scenes with the world's most important living artists to humanize and demystify contemporary art. The best-selling author of *Seven Days in the Art World* now tells the story of the artists themselves—how they move through the world, command credibility, and create iconic works. *33 Artists in 3 Acts* offers unprecedented access to a dazzling range of artists, from international superstars to unheralded art teachers. Sarah Thornton's beautifully paced, fly-on-the-wall narratives include visits with Ai Weiwei before

and after his imprisonment and Jeff Koons as he woos new customers in London, Frankfurt, and Abu Dhabi. Thornton meets Yayoi Kusama in her studio around the corner from the Tokyo asylum that she calls home. She snoops in Cindy Sherman's closet, hears about Andrea Fraser's psychotherapist, and spends quality time with Laurie Simmons, Carroll Dunham, and their daughters Lena and Grace. Through these intimate scenes, *33 Artists in 3 Acts* explores what it means to be a real artist in the real world. Divided into three cinematic acts—politics, kinship, and craft—it investigates artists' psyches, personas, politics, and social networks. Witnessing their crises and triumphs, Thornton turns a wry, analytical eye on their different answers to the question What is an artist? *33 Artists in 3 Acts* reveals the habits and attributes of successful artists, offering insight into the way these driven and inventive people play their game. In a time when more and more artists oversee the production of their work, rather than make it themselves, Thornton shows how an artist's radical vision and personal confidence can create audiences for their work, and examines the elevated role that artists occupy as essential figures in our culture.

I Was A Teenage Banshee Sue Webster, 2020-03-17 A Künstlerroman by British contemporary artist Sue Webster, which combines personal memoir with an exploration of the ongoing influence of youth, music, and Siouxsie and the Banshees on her life and work. Emanating from a poignant unpacking of objects and memories--which Webster has turned into a private exhibition to coincide with the publication--this book positions the Banshees and the artist herself alongside visual references to everyone from David Bowie and the Sex Pistols to William Burroughs and Salvador Dalí--using the Banshees and the punk scene amid which she grew up as an entry point to reflect on the cultural and personal evolutions of the last decades. More than 300 illustrations combine ephemera with artwork and reveal the connection between influence and art: objects documenting her fanaticism of the Banshees, from record covers and photographs to ticket stubs and lyrics; paraphernalia from books, artists, and cultural figures that relate to the Banshees and that world of 1970s and early 1980s post-punk; personal effects from diary pages to unseen photographs; and selected artworks by Sue Webster and longtime partner Tim Noble.

She tells the fascinating stories of her favorite jewelry designers, from the fabulous Faberge to the phenomenal Bulgari brothers. She devotes a chapter to accessorizing with jewelry, offering countless tips on how to turn that plain outfit into a totally chic ensemble by knowing

what jewelry to select, and demonstrating the different looks that jewelry can achieve in a series of fashion photographs taken exclusively for this book. All of Joan Rivers' love and knowledge of jewelry is reflected in the pieces she designs for her own line of costume jewelry - the Joan Rivers Classics Collection - hundreds of which are reproduced here in specially commissioned, full-color photographs. Georgian Jewellery 1714-1830 Ginny Redington Dawes,Olivia Collings,2018 Georgian Jewellery is a celebration of the style and excellence of the eighteenth century, and of the ingenuity that produced such a wealth of fabulous jewellery. Heavy academic tomes have already been written about the period, but this book examines it in a more colourful and accessible way. The book aims to show that Georgian jewellery is not only the stuff of museums and safe boxes, but that it can be worn as elegantly and fashionably today as it was 200 years ago. Much disparate information about the jewellery has been gathered together and the period is brought alive by portraits and character sketches of famous Georgians in their finery, fashion tips, gossip, and some rather outrageous cartoons of the time, as well as fascinating recently discovered facts. With information on how to identify, buy and repair pieces, this sumptuously illustrated volume contains the largest single catalogue of 18th Century jewellery. AUTHORS: Ginny Redington Dawes, a life-long collector of antique jewellery, has written two previous books on the subject - The Bakelite Jewellery Book and Victorian Jewellery. Staff writer for MGM Screengems Music, she is also a successful composer; she wrote the book, music and lyrics for the off-Broadway show The Talk of the Town and has won a CLEO award for music for advertising. Olivia Collings became fascinated by the seventeenth century alchemist and jeweller Christopher Pinchbeck at an early age and bought her first piece of antique jewellery aged seven. She trained in an exclusive Bond Street antique jewellery shop before starting her own business in 1975 and has continued learning about and dealing in Georgian jewellery ever since. She is now an independent jewellery consultant. SELLING POINTS: * A thoroughly researched look at the jewellery of the time, offering good basic knowledge for the beginner and new facts for the expert * New and/or little-known facts about the techniques, styles and materials of the age * The only book solely on the Georgian period, and the largest ever catalogue of the diverse range of eighteenth century

jewellery * Interesting portraits of characters of the period and their influence on the jewels of the time, with some contemporary gossip, outrageous cartoons and period fashion tips * Emphasis on jewellery that has been on the open market in recent years, rather than just unobtainable museum pieces 295 colour, 7 b/w images

Buried Treasure Victoria Finlay, 2006 An intrepid journey to uncover the secret histories of precious stones. Introduction to Precious Metal Clay Mary Ann Devos, Randy Allan Wardell, Ken Devos, 2002 Precious Metal Clay (referred to as 'PMC') is one of the most remarkable developments in silver and gold metal working since lost wax casting was developed thousands of years ago. This product is manufactured by Mitsubishi Materials Corporation and is available in fine silver (0.999%) and 24K gold. It is composed of microscopic metal particles, a non-toxic organic binder and water. It looks, feels and is shaped just like potter's clay but after firing all that is left is solid precious metal.

Hallmarks of the Southwest Barton Wright, 2000-01-01 American Southwest Indian artists working in metal, clay, wood, textiles, and paint have proudly left their individual hallmarks on their work-and until now there has not been a comprehensive source for identifying the marks. Barton Wright, the pre-eminent historian, curator, and proponent of these native crafts-people, has filled that void by collecting and organizing these hallmarks into a useful book. Compiled over many years of work with the craftspeople, and with the cooperation of one of their main organizing bodies, the Indian Arts and Crafts Association, Mr. Wright has with this book both made a useful tool for identification and left an important record of the work of these talented people. The information is alphabetically arranged with important personal data, tribal affiliation, working dates, materials used, and facsimiles of their marks.
