B.B. King David McGee, 2005 (Book). The Lives in Music series meshes biography with discography. This debut title profiles the legendary King of Blues, B.B. King. An opening essay charts his life from childhood in the Mississippi Delta up to his first studio session. The author then takes an inside look at his distinguished career, album by album, offering a critical appraisal of each recording and a portrait of the making of each album. First-hand interviews with B.B. King, as well as producers, engineers, arrangers, and key musicians, bring these sessions to life and provide readers a context for understanding B.B. King's recordings in light of his career and life events that shaped them. This definitive book also includes a complete history of every B.B. King session.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. *The Secret History* is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
